

To create a custom greeting to appear on every pet owner invoice in Cornerstone:

Controls→Billing Messages→New

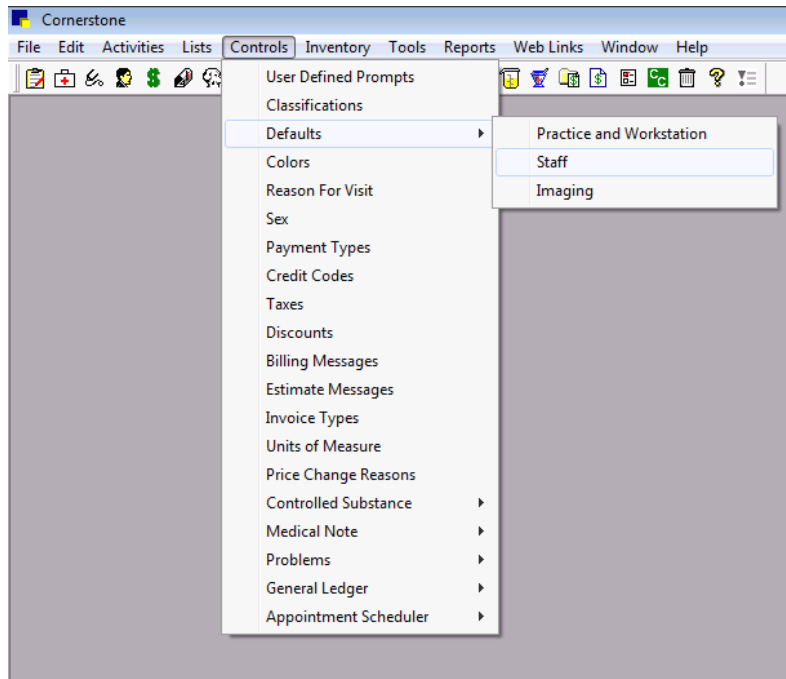

Enter a description name in Billing Message Setup and enter custom message in Message Contents, then click “OK.”

Example: “Did your pet receive some services today that could have been covered with our Wellness Care plan? Ask us about what plan is right for your furry family member!”

Controls→Default→Practice and Workstation

Messages→Invoice (select name of previously created custom invoice)->OK

From then on, every new invoice created will have the custom message at the bottom.
